Be part of one of the fastest growing sports among young people...

Each year, in the Altoona and surrounding areas, hundreds of youth participate in USBC sanctioned bowling. By participating, the youth learn teamwork, sportsmanship, as well as boosting their self-esteem. In addition, they strive to bowl at the best of their ability in order to qualify for their inclusion in the scholarship tournaments.

The scholarship fund is funded mainly by local businesses. The ADYUSBC also raises funds via raffle ticket sales. The ADYUSBC is asking for your support in helping build the scholarship fund for our deserving youth. The USBC posts scholarships funds into SMART Program accounts to be used towards future education needs.

There are several levels of sponsorships available. Multi-year sponsorships are also available and encouraged for the future of the scholarship fund tournaments.

In 2009-2010 The ADYUSBC awarded over \$11,000 in Scholarships to Area Youth!!!

Tournament signage will remain visible for two weeks after tournament.
